Testimonials –

'We cannot stop watching our fantastic wedding video captured by lovely Ben. This is the third time our family have chosen Ben to film our special days and that says it all really. Such a pleasure to have present and work with, professional and

knowledgeable to ensure very special moments are captured. I wish we could do it all over again. I would definitely recommend Ben to all brides and grooms to be. Thank you so much Ben we are over the moon with all of your hard work ❤️'

We booked Ben after being recommended by a friend. We are so glad we did! We can't stop watching our video. A perfect way to reflect and see bits that we hadn't seen on the day. The booking process was easy, and Ben was so friendly and helpful. He even helped the lads sort the church before the guests arrived and even helped dress them with their cravats. He blended in perfectly throughout the day, that at times, we forgot he was even filming. We would highly recommend Ben and thanks to him we have beautiful memories to cherish for a lifetime.'

Worth every penny! Such a wonderful video our wedding was captured beautifully and it's great to see parts we missed or forgot about.

Ben is very approachable and professional keeping in touch prior to the wedding and on the

big day he was so discreet you forget he was there, so it was very easy to carry on as normal. Don't hesitate to book you won't be disappointed! Thank you very much Ben we are so pleased we booked you 😊
