Additional Feedback on your Supplier

Ben done our wedding video on the 14th May 2016. and we honestly couldn't thank him enough he was absolutely fab he made us all feel really comfortable and we didn't even notice he was there videoing most of the time as it can all be quite daunting having videos done. he was with us right up until 9pm. He made our day extra special. I would most definitely recommend a perfect memory 100% if you're thinking of having a video done

Why Did you book this Supplier

Originally, we weren't going to have our wedding filmed but family members said it would be good to remember our special day by especially with close family getting older. And losing family very near our wedding day. So, we had a look around and seen a perfect memory and his worked looked absolutely fab, so we contact them and just knew he would be the right one

Additional Feedback on your Supplier

Ben was very professional when showing us his previous work and during the time of the wedding, even giving us tips on how to have some photos taken. He worked well with the photographer, DJ and venue staff and was not intrusive to guests. Many people have commented that the video foot-age taken was remarkable and the picture quality was top rate. He kept us up to date with every-thing going on; great communication and a pleasure to have at our wedding.

Why Did you book this Supplier

We were trying to stick to a budget, he was local and had worked at the venue before so knew the best shots. He was the most professional we had interviewed, taking dedication and care with his work, in particular showing us videos of our wedding venue with previous weddings he had filmed, and he had also worked with our DJ before so they had already built a good working relationship which helped us out.

Additional Feedback on your Supplier

Ben was very attentive without being intrusive and was an outstanding professional throughout. There is a reason he is a persistent winner of this accolade and it is very well deserved.

Why Did you book this Supplier

We have several friends who have all used Ben. Not one has ever had a bad word to say and all have received a service indicative of a guy with multiple awards in his field.

Additional Feedback on your Supplier

Ben was great on the day, and for most of the wedding we hardly even noticed him. He was so professional throughout the whole process and it was obvious he genuinely loves his work.

The video is simply stunning- some very clever shots in there. I could watch it over and over.

Why Did you book this Supplier

He was one of the cheapest around, and we didn't have a big budget. Having seen the video, we still would have booked Ben had our budget been much much bigger.

Additional Feedback on your Supplier

When we first met Ben (A Perfect Memory), at an open evening at Tortworth Court, Ben came across very friendly, very professional and put us at ease regarding his knowledge of producing wed-ding videos. Once we checked out some of his previous videos via his website we have no concerns asking him to record our special day.

On the day he knew exactly what to do and told us how he would like us to do certain things, with-out being bossy or making you feel under pressure.

We have received our DVD a couple of days ago and it was brilliant, we are both so pleased with it, he caught everything that we wanted and the extra detail he went to was fantastic.

His price was reasonable, he came across very professional and knew his stuff, was worth every penny.
